

HERITAGE HIGH SCHOOL TECH ACADEMY

Smartboards, PhotoStory, Wikis, Graphic Organizers, Blogs, Skype, Student Response Systems, United Streaming, Podcasting, and more!

Next year every classroom will have a computer and projector installed in it. Let's move beyond PowerPoint and learn what other resources we can use to enhance student learning!

What: Technology Resources for the High School Educator

When: June 4- 8...8am-1pm

Where: HHS ILC Computer Lab

Cost: Free, additional fee for Adams State Graduate credit

Credit: Two LPS credits

Questions?: Mike Porter and/or Heidi Dudley

mporter@lps.k12.co.us // x3410 hdudley@lps.k12.co.us //x7676

*Students are asked to purchase *Blogs, Wikis, Podcasts and other Powerful Web Tools for Classrooms* by Will Richardson,

ISBN: 1-4129-2767-6 approx: \$26. (This is a great resource!)

Heritage High School Tech. Academy
